## Huntress Labs Incorporated Subprocessors List

Last Updated October 16, 2024

To support delivery of our Services, **Huntress Labs Incorporated (“Huntress”)** (or one of its affiliates or subsidiaries), may engage and use data processors or service providers with access to certain personal data (“**Subprocessors**”). This page provides important information about the identity, location and role of each Subprocessor. Terms used on this page but not defined have the meaning set forth in the operative Terms of Service for the Customer (or if applicable, the superseding written agreement between Customer and Huntress) (“**Agreement**”). Prior to engaging any third party Subprocessor, Huntress performs diligence to evaluate their privacy, security and confidentiality practices, and executes an agreement implementing its applicable obligations.

Huntress may use the following Subprocessors to host Personal Data or provide other infrastructure that helps with delivery of our Services:
